CALL FOR PAPERS

Dear Young Researchers and Undergraduate, Master's and Doctoral Students!

The Department of Translation Studies and Foreign Languages of Kh. Dosmukhamedov Atyrau University invites undergraduate, master's and doctoral students, young researchers and lecturers, translators to participate in the International Students' Scientific and Practical Conference **"INTEGRATING ARTIFICIAL INTELLIGENCE INTO LANGUAGE TEACHING AND TRANSLATION STUDIES: CHALLENGES AND PERSPECTIVES".**

The aim of the conference is to discuss current trends, challenges, and prospects for the use of artificial intelligence in foreign language teaching and written and oral translation, as well as its role in advancing translation studies and the professional training of future specialists.

Special attention will be given to the effective and appropriate use of generative artificial intelligence in foreign language teaching, as well as to the application of machine translation systems, digital educational platforms, and automated tools for analyzing and editing specialized texts across various fields.

Date and time: 4 December 2026, 10:00 a.m.

Conference format: Hybrid (in person and online).

Venue: Main Academic Building, Kh. Dosmukhamedov Atyrau University, 1 Students Avenue, Atyrau.

Working languages: Kazakh, Russian, and English.

The conference will include the following sections:

Section 1. Challenges in Foreign Language Teaching Using Artificial Intelligence

Section 2. Human Interaction and Artificial Intelligence in the Translation Process

Section 3. Leveraging Artificial Intelligence for Professional Training in Contemporary Education

The following participants are invited: undergraduate, master's and doctoral students, young researchers and lecturers, translators.

Applications and conference papers should be submitted by email to asel.maratova07@mail.ru (**Tel.:** +7 702 305 70 82, +7 701 877 92 96) no later than 25 November 2026. Publication is free of charge. Papers should be prepared in accordance with the specified formatting requirements.

Forms of participation:

- presentation at a parallel session (up to 7 minutes);
- presentation at the plenary session (up to 7 minutes).

Conference Paper Formatting Requirements

1. The paper must clearly reflect the nature, content, and results of the research conducted by the author.

2. The paper must be 5–10 pages in length and prepared in Microsoft Word using the following formatting: A4 page size; Times New Roman, 12 pt; single-line spacing; first-line indent of 1.25 cm; top and bottom margins of 2 cm, left margin of 3 cm, and right margin of 1 cm. Pages

should not be numbered, and automatic word hyphenation should be disabled. References in the text must be indicated in square brackets. The reference list must be formatted in accordance with GOST 7.1–2003, *Bibliographic Record. Bibliographic Description: General Requirements and Rules* [1, p. 37].

3. The Universal Decimal Classification (UDC) code must be indicated in the upper-left corner. On the following line, the title of the paper must be centered and typed in **BOLD CAPITAL LETTERS**.

4. After one blank line, the author's full name must be centered. On the following line, the author's email address, field of study, institutional affiliation, city, and country must be provided in lowercase letters using 12-point font.

5. The paper must include an abstract of 50–70 words and 5–6 keywords in three languages: Kazakh, Russian, and English. After two blank lines, the main text of the paper must begin with a new paragraph. The reference list must be placed at the end of the paper, with sources listed in the order in which they are cited in the text.

6. The Organising Committee reserves the right to reject materials that do not comply with the formatting requirements.

7. Papers must be formatted in accordance with the provided template.

References

1. Ryder, L. *Quantum Field Theory*. Moscow: Platon, 2018. 315 p.

Electronic versions of papers, the author's application form, and the plagiarism-check certificate must be submitted together in a single email **by 25 November 2026** to asel.maratova07@mail.ru.

The same person may not be listed as an author or co-author on more than two papers.

References must be numbered in the order in which they appear in the text and listed at the end of the paper. The text must be thoroughly edited for style, grammar, and technical accuracy.

Participation requirements:

- a paper prepared in accordance with the formatting requirements;
- a written recommendation from the academic supervisor or faculty dean (scanned copy);
- a completed conference application form.

Materials will not be accepted for publication if any of the documents listed above are missing.

Papers will be published in the authors' original versions. The Organizing Committee accepts no responsibility for any grammatical or stylistic errors in the submitted materials.

A plagiarism-check certificate confirming a similarity-free score of at least 70% must be enclosed as a scanned PDF document.

Participation in the conference is free of charge. Following the conference, an electronic collection of proceedings with an assigned ISBN will be published in PDF format. The conference proceedings will be published on the official websites of Kh. Dosmukhamedov Atyrau University: https://asu.edu.kz/ and https://atyrau.edu.kz/.

The author's application form must accompany the paper. Please submit the completed application form, paper, and plagiarism-check certificate in a single email to the specified email addresses.

Conference Application Form

Surname and first name	
Status (undergraduate student, master's student, doctoral student – (educational programme code and title)), young researcher, or lecturer)	
Academic supervisor (academic title, position, and institutional affiliation)	
Title of the paper	
Conference section	
University or organisation	
Address, telephone number and email	
Preferred form of participation	

Applications received by the Organizing Committee after the specified deadline will not be considered. The Organizing Committee reserves the right to select papers for presentation at the conference.

Yours sincerely, **The Organizing Committee**
